

THE **MITY**NICE AWARD

IMRAN KHAN CEO & Co-Founder of Embarc

A graduate of Chicago Public Schools, Imran returned to the district and taught for five years at W.R. Harper High School in West Englewood. While serving as English Department Chair, AVID Coordinator, and a member of the school's Instructional Leadership Team, he was a 2011 Finalist for the Chicago Drive Award, a presenter at the Annual ASCD Conference (the world's premier education development event), and a Gold Medal Winner for Highest Student Gains in Chicago's Area 12 for three consecutive years.

In 2010, Imran co-founded Embarc and piloted the program with 100 students, and in 2013, he left the classroom to lead the organization's growth. Embarc is a three-year program that provides experience-based learning opportunities to low-income high school students to prepare them for college and career success. Embarc's goal is to drive student success with long-term social and cultural exposure. By engaging school districts, community partners and students, Embarc triggers intrinsic motivation in students, transforms how schools educate, and creates a more aware and integrated society.

Under Imran's leadership, Embarc has grown in five short years into a highly-demanded, social and cultural education program serving more than 600 students in ten Chicago public high schools spanning the city. Through this growth, Embarc has sustained critical student outcomes, including a 98% high school graduation rate among Embarc students graduating in 2015, an average 89% student attendance rate, and 93% college enrollment. Furthermore, the program has proven a social return on investment of 7:1 (due to the social savings of a high school graduate vs. a high school dropout). As a result of evaluation systems and this proven impact, Embarc have won several competitive grant awards in the past three years, including: A Better Chicago's Project Impact, Impact 100 Chicago, and Invest For Kids.

The Mity Nice Award is our way of thanking people for truly selfless acts of kindness, charity or goodwill.
